Albany Solar Solutions – Gibbs Ground Mount Array
Monday, January 9, 2023
6:55PM**

The Public Hearing was opened by Planning Board Chairman Stephen Viele at 6:52pm. On the advice of counsel the Public Hearing was left open until SEQR was completed.

Robert Grimm, 600 Millers Corners Road, spoke with no objections to the project. He did a very well researched presentation regarding the sight line of the array from his home as well as from the road and informed the Planning Board that the array would not have any significant visual impact to either.

Public Hearing was closed at 7:15pm.
